LEAVING A LEGACY

Bequests and other planned gifts can have a profound and lasting impact on training, research, and outreach at the New York Psychoanalytic Society & Institute (NYPSI). They can be a continuing source of strength and support for the Institute.

NYPSI Legacy Partners can endow scholarships for students in our world-renowned training programs, provide ongoing support for our low-fee psychoanalysis and psychotherapy, expand the resources of our unique library, help to sustain innovative programs, and build on our much-lauded public education and outreach initiatives. You may choose a particular area of interest to support or allow your gift to fund key priorities determined from time to time by the Institute's leadership.

However you choose to support NYPSI, your membership in NYPSI Legacy Partners will serve as an inspiration to all who share your vision for the Institute's future.

CELEBRATING YOUR GIFT

As a founding member of NYPSI Legacy Partners, you will be acknowledged on a special plaque to be placed in a prominent location within the 82nd Street building, as well as in our annual report, on our website, and in other materials as appropriate. Of course, if you wish to remain anonymous, we will respect that request.

You are eligible for membership in NYPSI Legacy Partners if you have named NYPSI as a beneficiary of your:

- Will or trust
- IRA or other retirement plan
- Life insurance policy
- Life income or other planned gift (charitable gift annuity, pooled income fund, charitable remainder trust, charitable lead trust, or remainder interest in a personal residence)

If your bequest intention or planned gift information is not already included in our records, we ask that you complete and sign a Member Profile indicating your wish to become a member of NYPSI Legacy Partners. Note that information regarding the amount, nature, or designation of the bequest or gift is not required.
